## General Information

**Medical Journal of western India**, a peer reviewed journal, is now entering the fifth decade of published on behalf of the Research Society of B J Medical College, Pune. This journal is published bi-annually in January and July. The journal publishes information relating to all medical disciplines. The priority areas of publication are as follows. 1) Clinical and basic science research in all fields of medicine. 2) Articles related to prevention, management and treatment of diseases in developing countries. 3) Contributions are accepted in innovative health approaches, devices and operational research in health 4) Papers are also published related to dentistry, medical education, nursing, medical laboratory sciences, physiotherapy social medicine and other related medical subjects. Papers are published in English. Submitted papers will be accepted after peer review. Manuscripts accepted for publication are copy edited for grammar, punctuation, print style, and format. Page proofs are sent to the corresponding author by e-mail only. The corresponding author is expected to return the corrected proofs within three days. The whole process of submission of the manuscript to final decision and sending and receiving proofs is completed online. To achieve wider dissemination of knowledge and information, the journal publishes articles can be accessed online at [www.bjmcpune.org/medicine.htm](http://www.bjmcpune.org/medicine.htm). The journal is following the **uniform requirements for Manuscripts Submitted to Biomedical Journals** available at [http://www.icmje.org/urm\\_main.html](http://www.icmje.org/urm_main.html).
